FINANCIAL AND LEGAL CONSULTANCY SERVICES

ULUSLARARASI
Financial and Legal Advisory Services

Established in 1994, Uluslararası Danışmanlık is one of Turkey's oldest and most prestigious privately owned financial and legal consultancy firms.

Uluslararası Danışmanlık provides its customers a complete range of specialist trade and corporate finance services, and legal consultancy in Turkey and abroad such as negotiating corporate financings at the best terms available in the markets, structuring complex financing packages, Islamic finance instruments, international forfaiting transactions.

Consistent with our philosophy of providing a comprehensive and integrated service to our customers we provide legal advisory services to clients in Turkey and abroad in a vast span from company establishments to complicated legal issues.

REPORTING AND INVESTOR RELATIONS

TAYBURN
KURUMSAL

Tayburn Kurumsal is a service provider that specializes in the design, editing and production of stakeholder communication and IR (investor relations) products and services. Tayburn Kurumsal has been active in Turkey since 1995, the year it entered into a strategic partnership with Tayburn Group, Scotland's leading desing company.

Tayburn Kurumsal, today, is Turkey's market leading strategic corporate reporting agency delivering best practice advice, corporate, financial and social responsibility reports and IR services for large plcs and small cap companies.

Tayburn Kurumsal's goal is to help its clients to build more rewarding relationships with their investors and other target stakeholders. The Company achieve this by drawing on its in-depth experience of corporate reporting, its strategic insight and tried and tested communications principles to develop reporting and IR solutions that build greater engagement, deepen understanding and grow brand advocacy across a full range of corporate communications.

Since 1995, Tayburn Kurumsal has continually developed its service in order to acknowlege the changing business environment, embrace cost-cutting technologies and, most importantly, meet the needs of its customers.

BRANDING, MARKETING AND EDITING

TAYBURN
TASARIM

Tayburn Tasarım, is the second Uluslararası Tayburn joint venture in Turkey, following in the wake of the success of Tayburn Kurumsal.

Tayburn Tasarım provides clients in Turkey with a complete range of services and products under the headings of branding, marketing and editing: developing corporate identities, logotypes and emblems; advertisements for local and international markets; brochures, corporate presentation kits, electronic presentations, diaries and calendars; editing in wide range of languages from Turkish to English, Italian, Russian, French, German and others.

İSTANBUL, EDINBURGH, LONDON

The Uluslararası Tayburn Group in brief

The Uluslararası Tayburn Group is a leading provider of financial and legal advisory services along with a wide range of specialist corporate communication products and services for multinationals, large and small cap companies both in Turkey and abroad.

The Group is based in Istanbul, with presence in Edinburgh and London. The Group consists of three companies:

Uluslararası Danışmanlık, Tayburn Kurumsal and Tayburn Tasarım.

Combining traditional values of high customer service levels together with a commercial and creative approach to our business, our team of highly experienced professionals provide customers with practical, creative and cost-effective solutions tailored to their requirements, whatever the size or degree of complexity.
